***Boydell's "Three Hours to the Right Hire...and Beyond" workshop brings
templates, tools and tips for hungry hiring managers***

SAN DIMAS, CALIF., - November 10, 2008 - Janet Boydell, president and founder of A Hire Connection, Inc., a recruiting and training organization serving the executive leadership development, employment recruitment, career development and strategic management workshop arenas, today announced she will be leading her "Three Hours to the Right Hire...and Beyond" workshop at DPS Telecom, a Fortune 500 company located on 4955 E. Yale Ave., in Fresno, Calif., on November 11, 2008.

Boydell will be presenting a three-hour seminar, highlighting hiring strategies from both of her published books: *You're Not the Person I Hired: A CEO's Survival Guide to Hiring Top Talent* and *A Hire Connection: How to Make Your Next Hire Your Best Hire*. Among the key issues and hiring processes that she will introduce is her revolutionary tool, the **Fast-Forward Resume™**, defined as: The potential future version of a new hire's, or any current employee's resume, after achieving three or four key deliverables during the next 18 to 24 months on the job. This is *the* document that creates alignment, provides direction and gives employees the vision they crave while giving managers the performance management tool needed to achieve company goals and ensure success.

Additionally, Boydell will address ways to overcome major hiring obstacles, distinguish the five key predictors of highly successful people in her "Got Flash?" discussion and impart how managers can effectively lead their staff to manage themselves and act as ambassadors for the company.

Boydell states, "This workshop will include valuable insights that I've gathered from my years of literally working with hundreds of hiring managers and thousands of candidates." She continues, "I've developed several unique and easy-to-use tools that have successfully helped companies achieve their stated goals and growth."

Each workshop attendee will receive professionally bound materials that include Boydell's proprietary forms that aid candidate assessments and reference checks, and one of her paperback books.
