**A HIRE CONNECTION, INC.'s JANET BOYDELL TO PRESENT AT THE
VISTAGE INTERNATIONAL WORKSHOP IN SEATTLE**

***Boydell to teach hiring managers how to retain top talent with her Fast-Forward
Resume™***

San Dimas, Calif. – August 5, 2008 - Janet Boydell, president and founder of A Hire Connection, Inc., a recruiting and training organization serving the executive leadership development, employment recruitment, career development and strategic management workshop arenas, today announced she will be speaking at a Vistage International workshop in Seattle, Wash., August 17, 2008.

Boydell will be presenting a four-hour seminar, highlighting hiring strategies from both of her published books: *You're Not the Person I Hired: A CEO's Survival Guide to Hiring Top Talent* and *A Hire Connection: How to Make Your Next Hire Your Best Hire*. Major focus will be placed on creating alignment within a company by using the *Fast-Forward Resume™* (FFR), Boydell's proprietary tool that presents the full-potential version of what a new hire's resume could look like after accomplishing three or four of a company's key deliverables during 18 – 24 months on the job.

Boydell states, "My *Fast-Forward Resume* is the only hiring tool of its type." She continues, "I created this document after 14 years of experience with hundreds of clients and thousands of candidates. There was a real disconnect between employee-company expectations that needed to be addressed; with the FFR, goals are clearly stated, leading to an agreed upon direction and vision."

This is the company document that gives direction and vision to the candidate search. With this intuitive tool, employees will know exactly where they are going, so they'll be more likely to work toward those goals and stay with the firm."
